

Port of St. Anthony

Nestled on the tip of the Great Northern Peninsula of Newfoundland & Labrador lies the cozy little town of St. Anthony – where history and scenery intertwine to capture the imagination of all who visit.

This small coastal town was famously home to Sir Wilfred Grenfell, and nestled amongst the historic fishing villages, you'll find world-famous L'Anse aux Meadows – the only authenticated Viking site in North America.

St. Anthony has thousands of years of history and natural beauty hidden within its craggy coast – what will your cruise audience discover first?

Fun For Everyone

- Learn about the adventures Dr. Wilfred Grenfell and his work along the north coast of Newfoundland and remote communities of Labrador.
- Visit the first (and only) authenticated Viking site in North America at nearby L'Anse aux Meadows, view an authentic replica of a Viking ship called a knarr at Norstead Viking Village.
- For an interactive dining experience, join a Great Viking Feast at Leifsbudir in the only sod covered restaurant in North America.
- Enjoy fresh, locally sourced seafood dishes over beautiful panoramic views of the Atlantic Ocean and coastline.
- Explore the area's hiking trails and take in all the spectacular flora and fauna that St. Anthony has to offer.
- Step aboard the hop-on-hop-off bus for a convenient, flexible, and informative way to explore the community.
